

The background of the cover is a dark, abstract composition. It features a large, glowing blue sphere on the right side, which appears to be emitting or interacting with a network of glowing blue and red lines that swirl and flow across the frame. The overall effect is one of dynamic energy and scientific exploration.

Investigating *Electromagnetism*

Elizabeth R. C. Cregan

Table of Contents

The Electromagnetic Force	4
Atoms at Work	6
Electricity	8
Magnetism	10
Invisible Lines of Force.....	14
Generators Get Electricity Flowing	16
Amps, Volts, and Watts	18
AC and DC Currents	20
Powering Communications	22
Into the Future	26
Appendices	28
Lab: Create an Electromagnet	28
Glossary	30
Index	31
Sally Ride Science.....	32
