Description: Huntington Beach, CA : Teacher Created Materials, 2022. | "iCivics"—Cover. | Audience: Grades 4-6 | Summary: "We live in complex times, with people asking many questions about what's best for their communities, their country, and the world. Sometimes, these conversations can be difficult. People have strong feelings, and they often disagree. So, how can we talk about civics in a way that helps rather than hurts other people? In this book, you'll learn how to research issues, develop strong arguments, listen to others, and debate in fair and productive ways"— Provided by publisher.
