Preface to the Sixth Edition, vii

Acknowledgments, ix

1 The Endoscopy Unit and Staff, 1

- Staff, 1
- Facilities, 1
- Management and behavior, 3
- Documentation, 4
- Educational resources, 5

2 Endoscopic Equipment, 7

- Endoscopes, 7
- Endoscopic accessories, 11
- Ancillary equipment, 12
- Electrosurgical units, 12
- Lasers and argon plasma coagulation, 13
- Equipment maintenance, 14
- Infection control, 15
- Cleaning and disinfection, 16

3 Patient Care, Risks, and Safety, 22

- Patient assessment, 22
- Patient education and consent, 26
- Physical preparation, 31
- Monitoring, 31
- Medications and sedation practice, 32
- Recovery and discharge, 34
- Managing an adverse event, 35

4 Upper Endoscopy: Diagnostic Techniques, 37

- Patient position, 37
- Endoscope handling, 38
- Passing the endoscope, 39
- Routine diagnostic survey, 42
- Problems during endoscopy, 49
- Recognition of lesions, 50
- Specimen collection, 55
- Diagnostic endoscopy under special circumstances, 58

5 Therapeutic Upper Endoscopy, 61

- Benign esophageal strictures, 61
- Achalasia, 65
- Esophageal cancer palliation, 66
- Gastric and duodenal stenoses, 70
- Gastric and duodenal polyps and tumors, 70
- Foreign bodies, 70
- Acute bleeding, 74
- Enteral nutrition, 80

6 Colonoscopy and Flexible Sigmoidoscopy, 87

- History, 87
- Indications and limitations, 88
- Informed consent, 93
- Contraindications and infective hazards, 94
- Patient preparation, 95
- Medication, 105
- Equipment—present and future, 111
- Anatomy, 116
- Insertion, 120
- Handling—“single-handed,” “two-handed,” or two-person?, 123
- Sigmoidoscopy—accurate steering, 128
- Endoscopic anatomy of the sigmoid and descending colon, 131
- Sigmoidoscopy—the bends, 133
- Sigmoidoscopy—the loops, 134
- Diverticular disease, 143
- Descending colon, 144
- Splenic flexure, 145
- Transverse colon, 152
- Hepatic flexure, 155
- Ascending colon and ileo-cecal region, 158
- Examination of the colon, 164
- Stomas, 172
- Pediatric colonoscopy, 172
- Per-operative colonoscopy, 173

7 Therapeutic Colonoscopy, 176

- Equipment, 176
- Polypectomy, 182
- Other therapeutic procedures, 202

8 Resources and Links, 208

- Web sites, 208
- Endoscopy books, 208
- Journals with major endoscopy/clinical focus, 209

Index, 211
