

Mixtures and Solutions

Hugh Westrup

A photograph of a bowl of granola with various fruits like strawberries and blueberries. In the background, there is a large glass jar filled with more granola and a tall glass of white milk. The entire image is framed by a thick yellow border.

Summary: "When you mix chocolate and milk together you're making a mixture. Oatmeal cookies are mixtures, too. But chocolate milk and cookies are different kinds of mixtures. How many different types of cookies can you think of? You already know more about chemistry than you thought!"— Provided by publisher.

Audience: Grades 4 to 6

Includes index.
