

BAGELS

This doughnut-shaped bread can be bought at the baker's.
What YOU have to do is prepare them.

Ingredients:

some cream cheese • 1 slice of smoked salmon • juice of a half lemon • dill

Slice the bagel in half horizontally.

Spread each slice with cream cheese.

Place the smoked salmon on one slice.

Sprinkle with the lemon juice.

Sprinkle with the dill evenly.

Cover with the other half of the bagel like a sandwich.

If you like your bread better when it is a little crunchy,
you can toast the two halves of the bagel before filling them.

There are six bagel-shaped objects on this page. Find them.

Each character chose a bagel filling starting with the first letter of his/her first name. Write the ingredients they chose.
