ORIGINAL NOVEL BY MICHELLE REID

While only a few miles from here, his victim is on the verge of death.

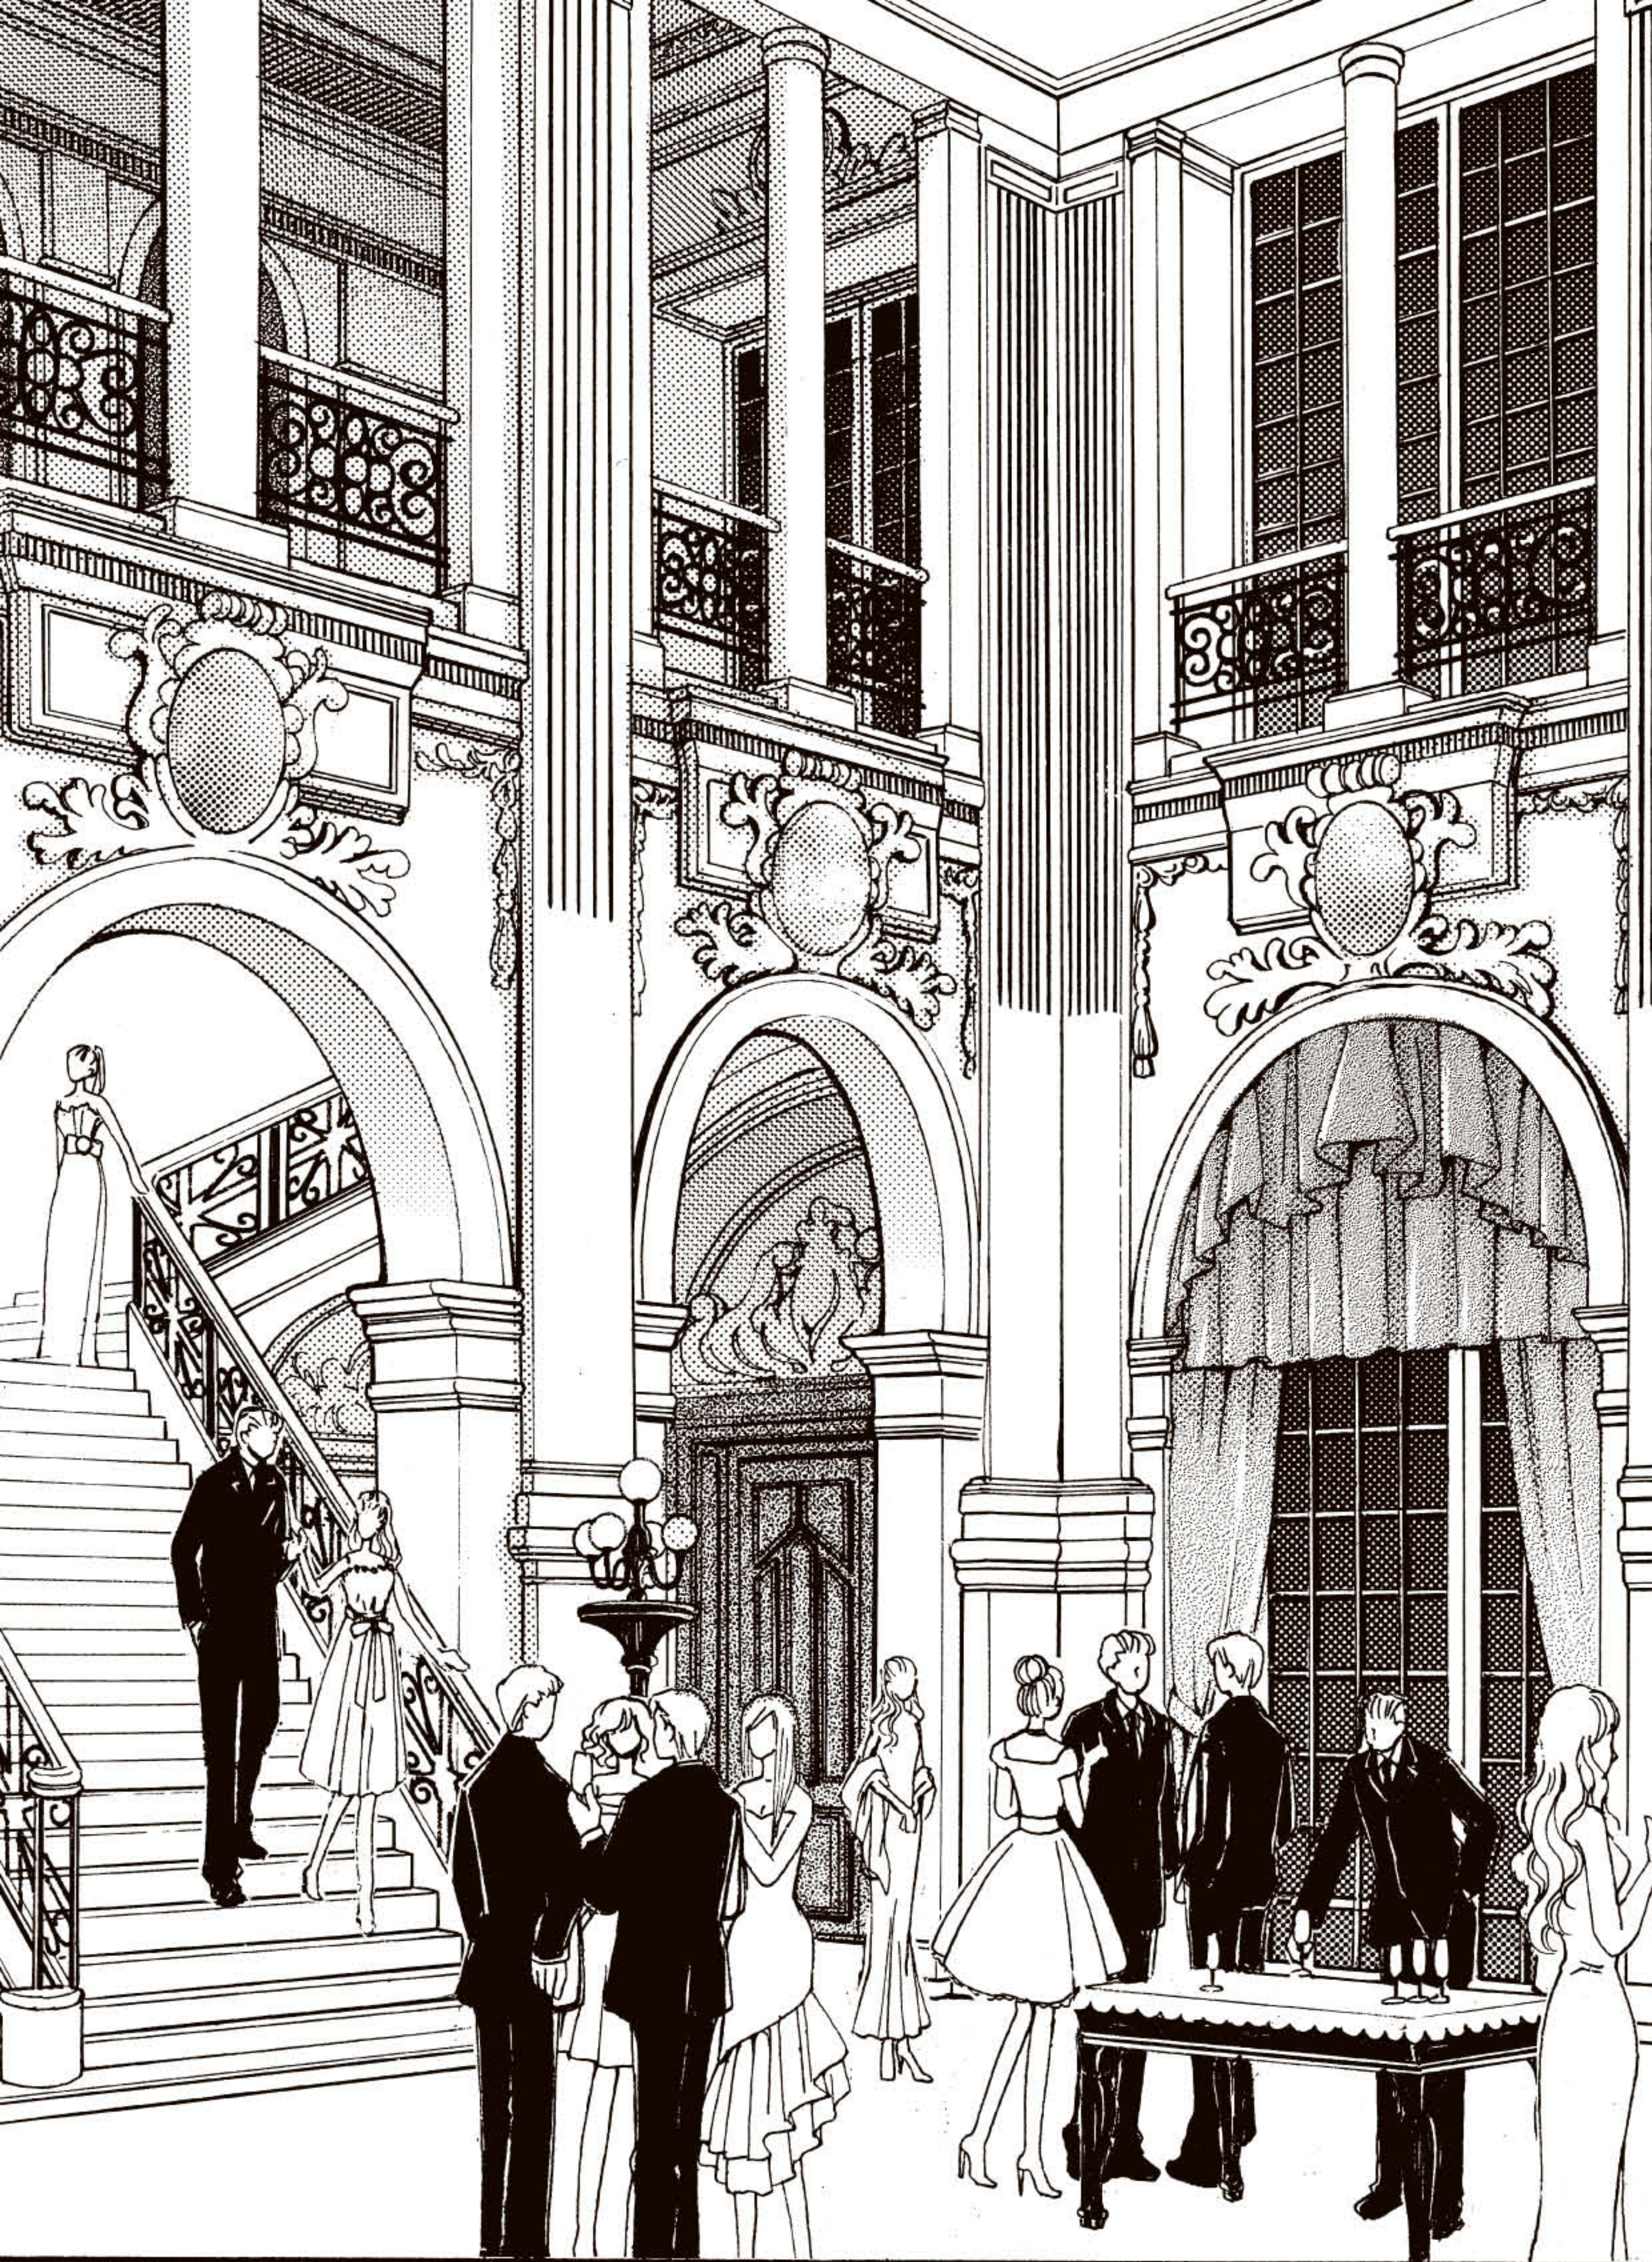

Somewhere in this mansion, that man is blissfully enjoying himself.

Daddy!

That can't be...

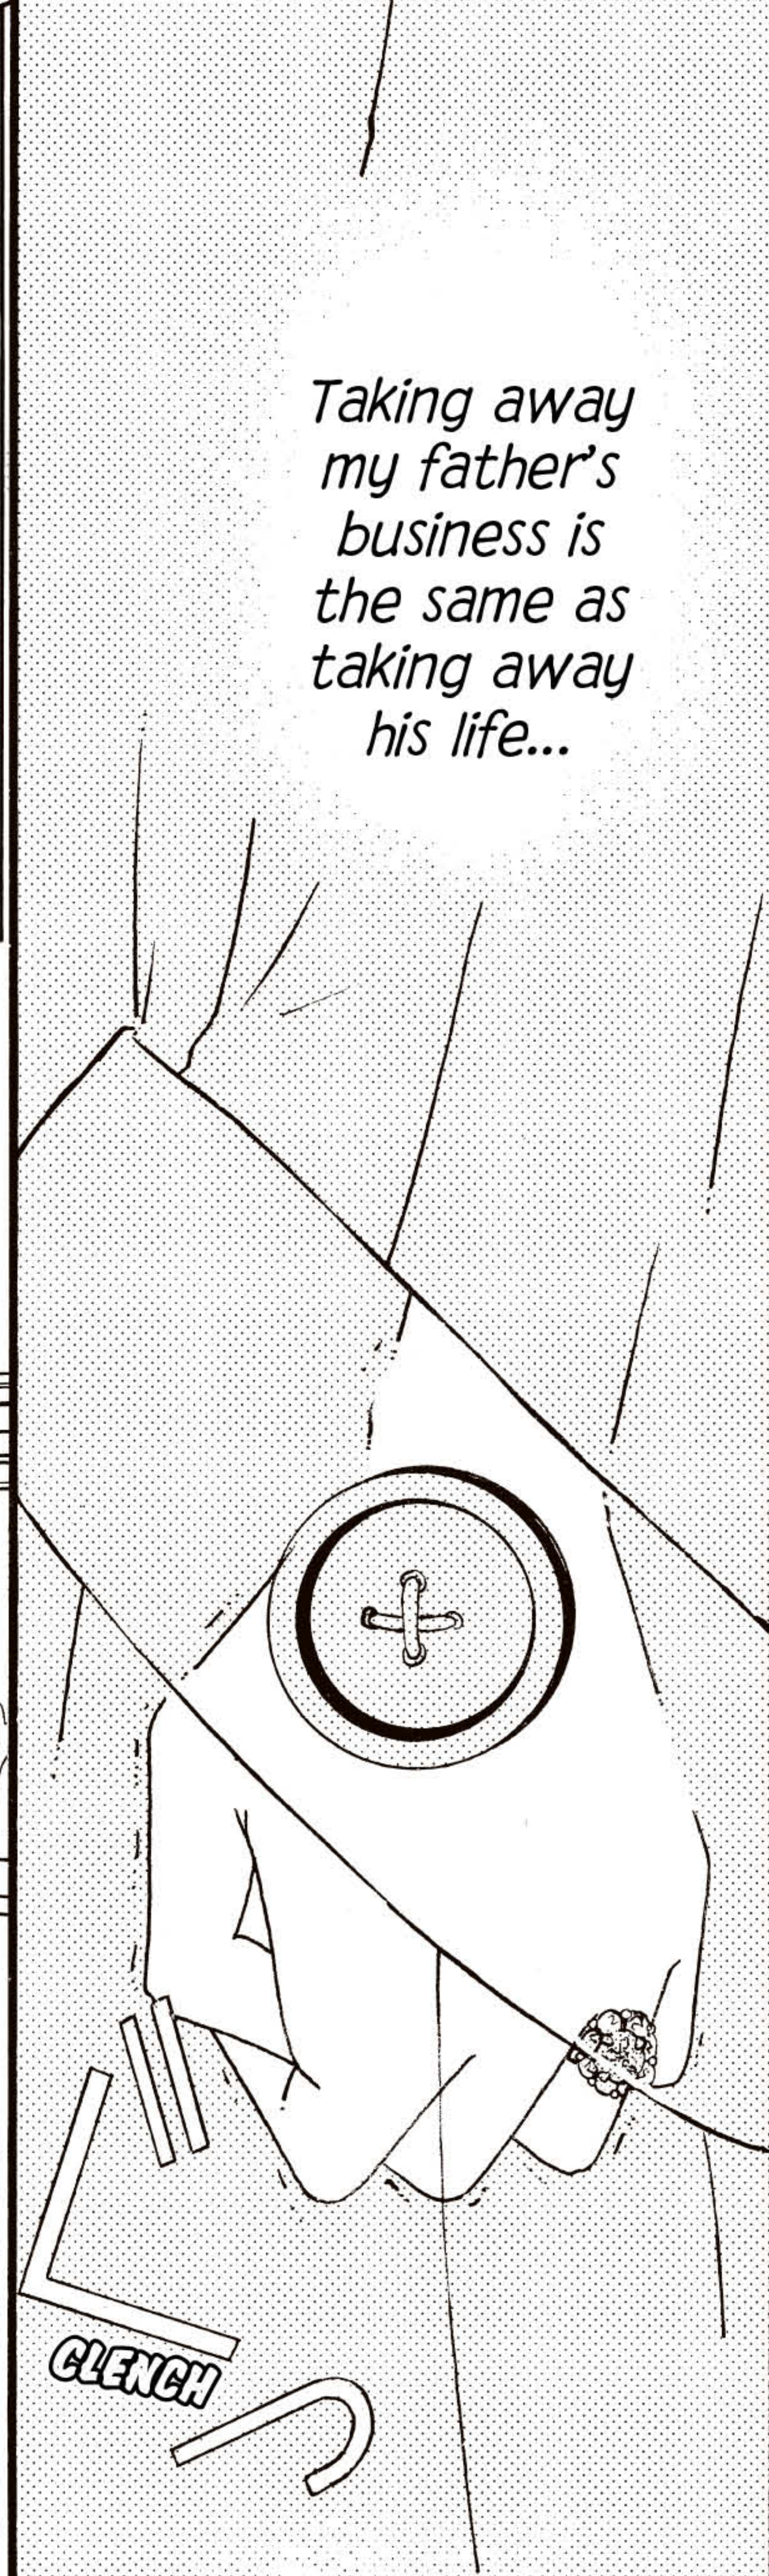

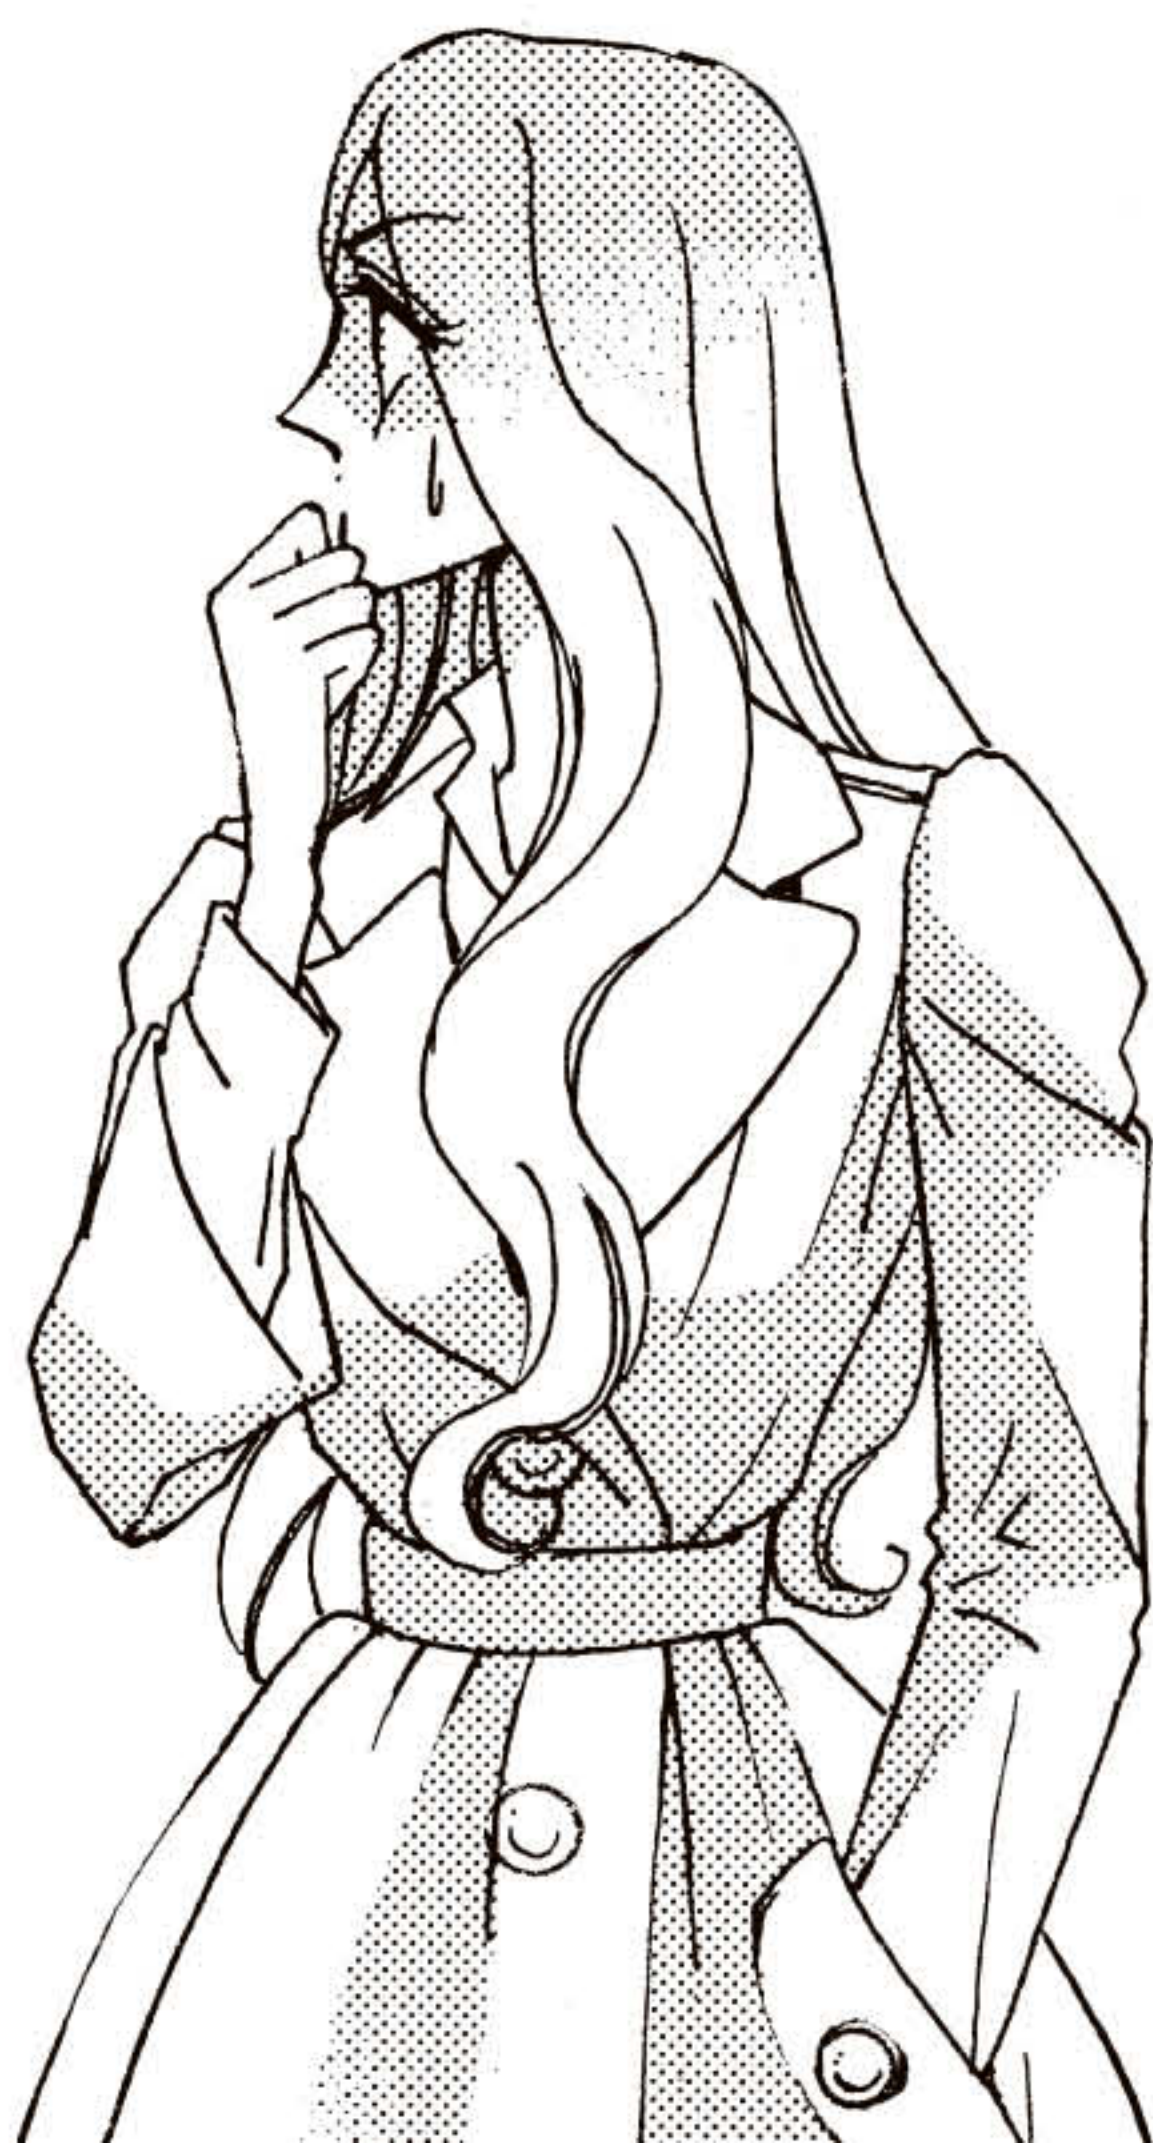

He couldn't possibly do such a thing to me...

*Taking away
my father's
business is
the same as
taking away
his life...*

*But where
should I wait
until the party
concludes?*

*I must speak
with him. I must
convince Anton
Lakitos not to
seize Father's
business, by any
means necessary.*
