

*"I like
black
horses
more!"*

*"Then your
prince will be
riding a black
horse."*

"Yay!"

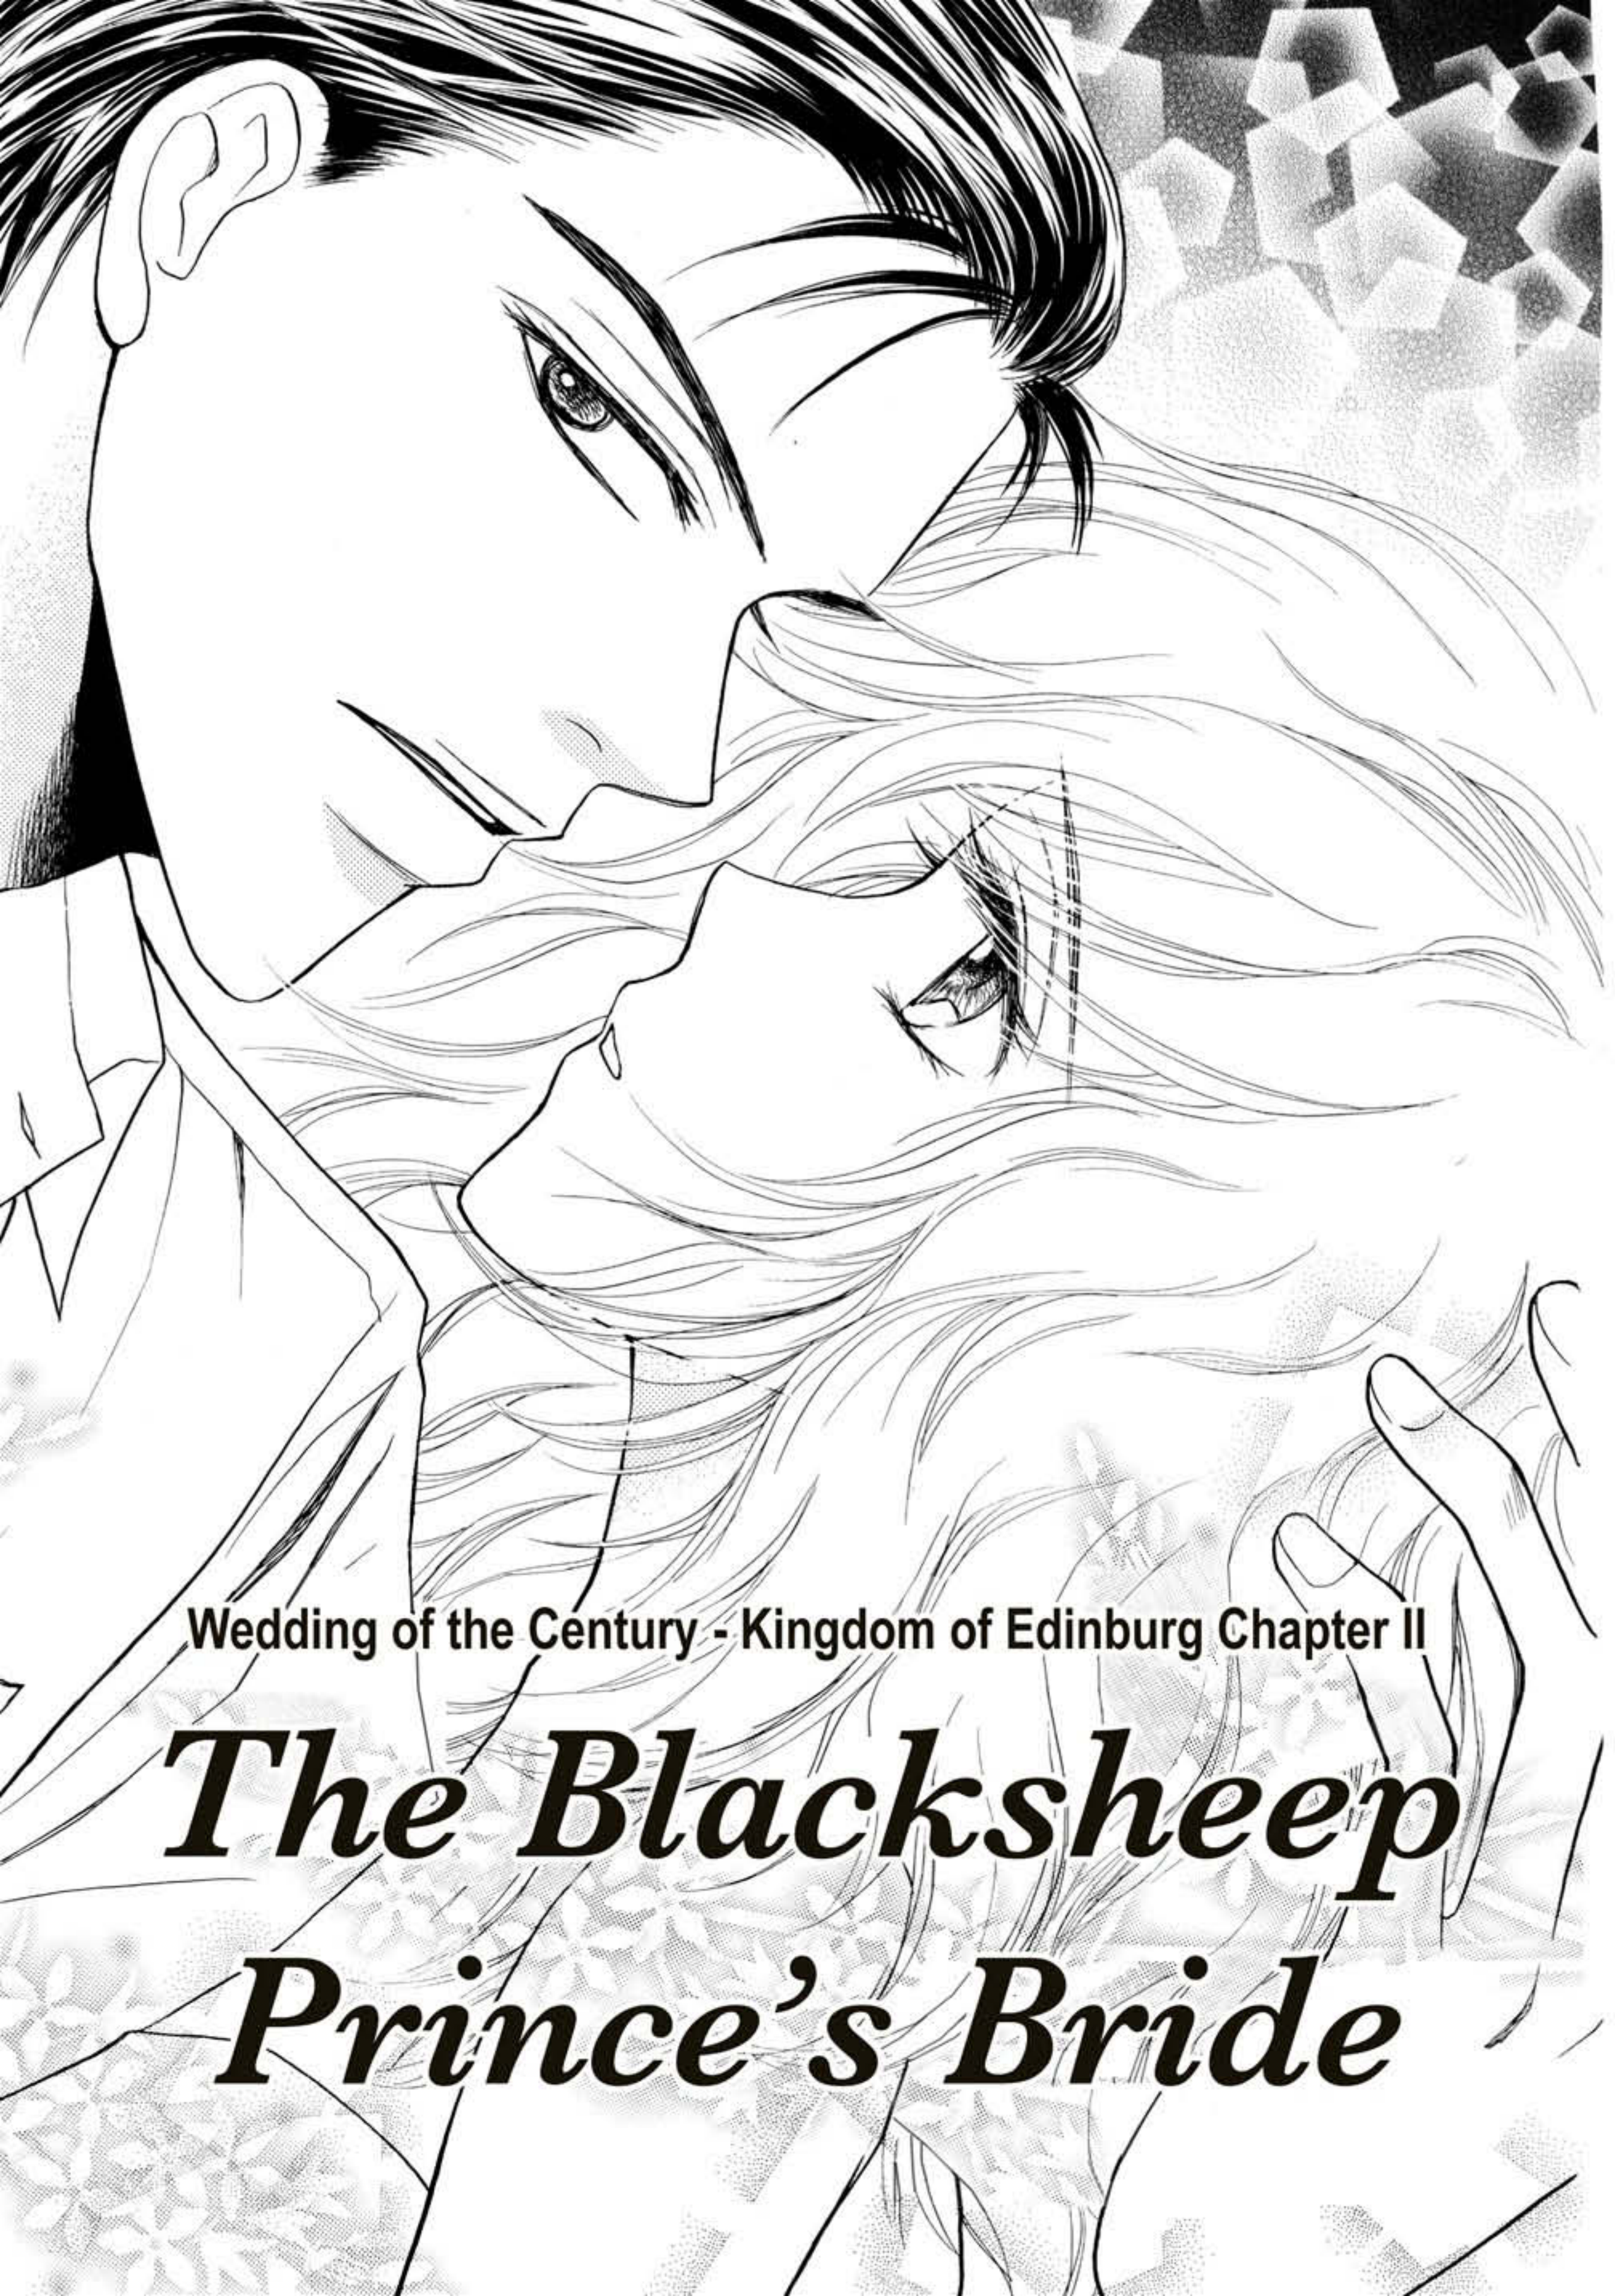

*"And the
princess and
the prince on
the white horse
lived happily
ever after.'"*

That was a
long time
ago...

I can't
believe in
fairy-tale
happy
endings
anymore.

I'm sorry,

What?
You want
me to spy?

we won't

Nanny?
Sounds

She may be a
spy Isabel sent
to see if I had
anything to do
with the king's
kidnapping.

I'd like
to see
this.
