

*In this week's
segment of
Into the
Wild, we'll
start our
journey in
the Amazon
jungle.*

*There's
not a
single
person in
England...*

*...who
doesn't
know who
Phinneas
Gibson is.*

*He's a
popular star
of his own
TV show
where he...*

*...forges
through
jungles,
crosses
deserts
and even
journeys to
the Arctic.*

*Ooh, he's
blond,
blue-
eyed
and wild!*
♥
*He's just
perfect.
Don't
you think,
Summer?*

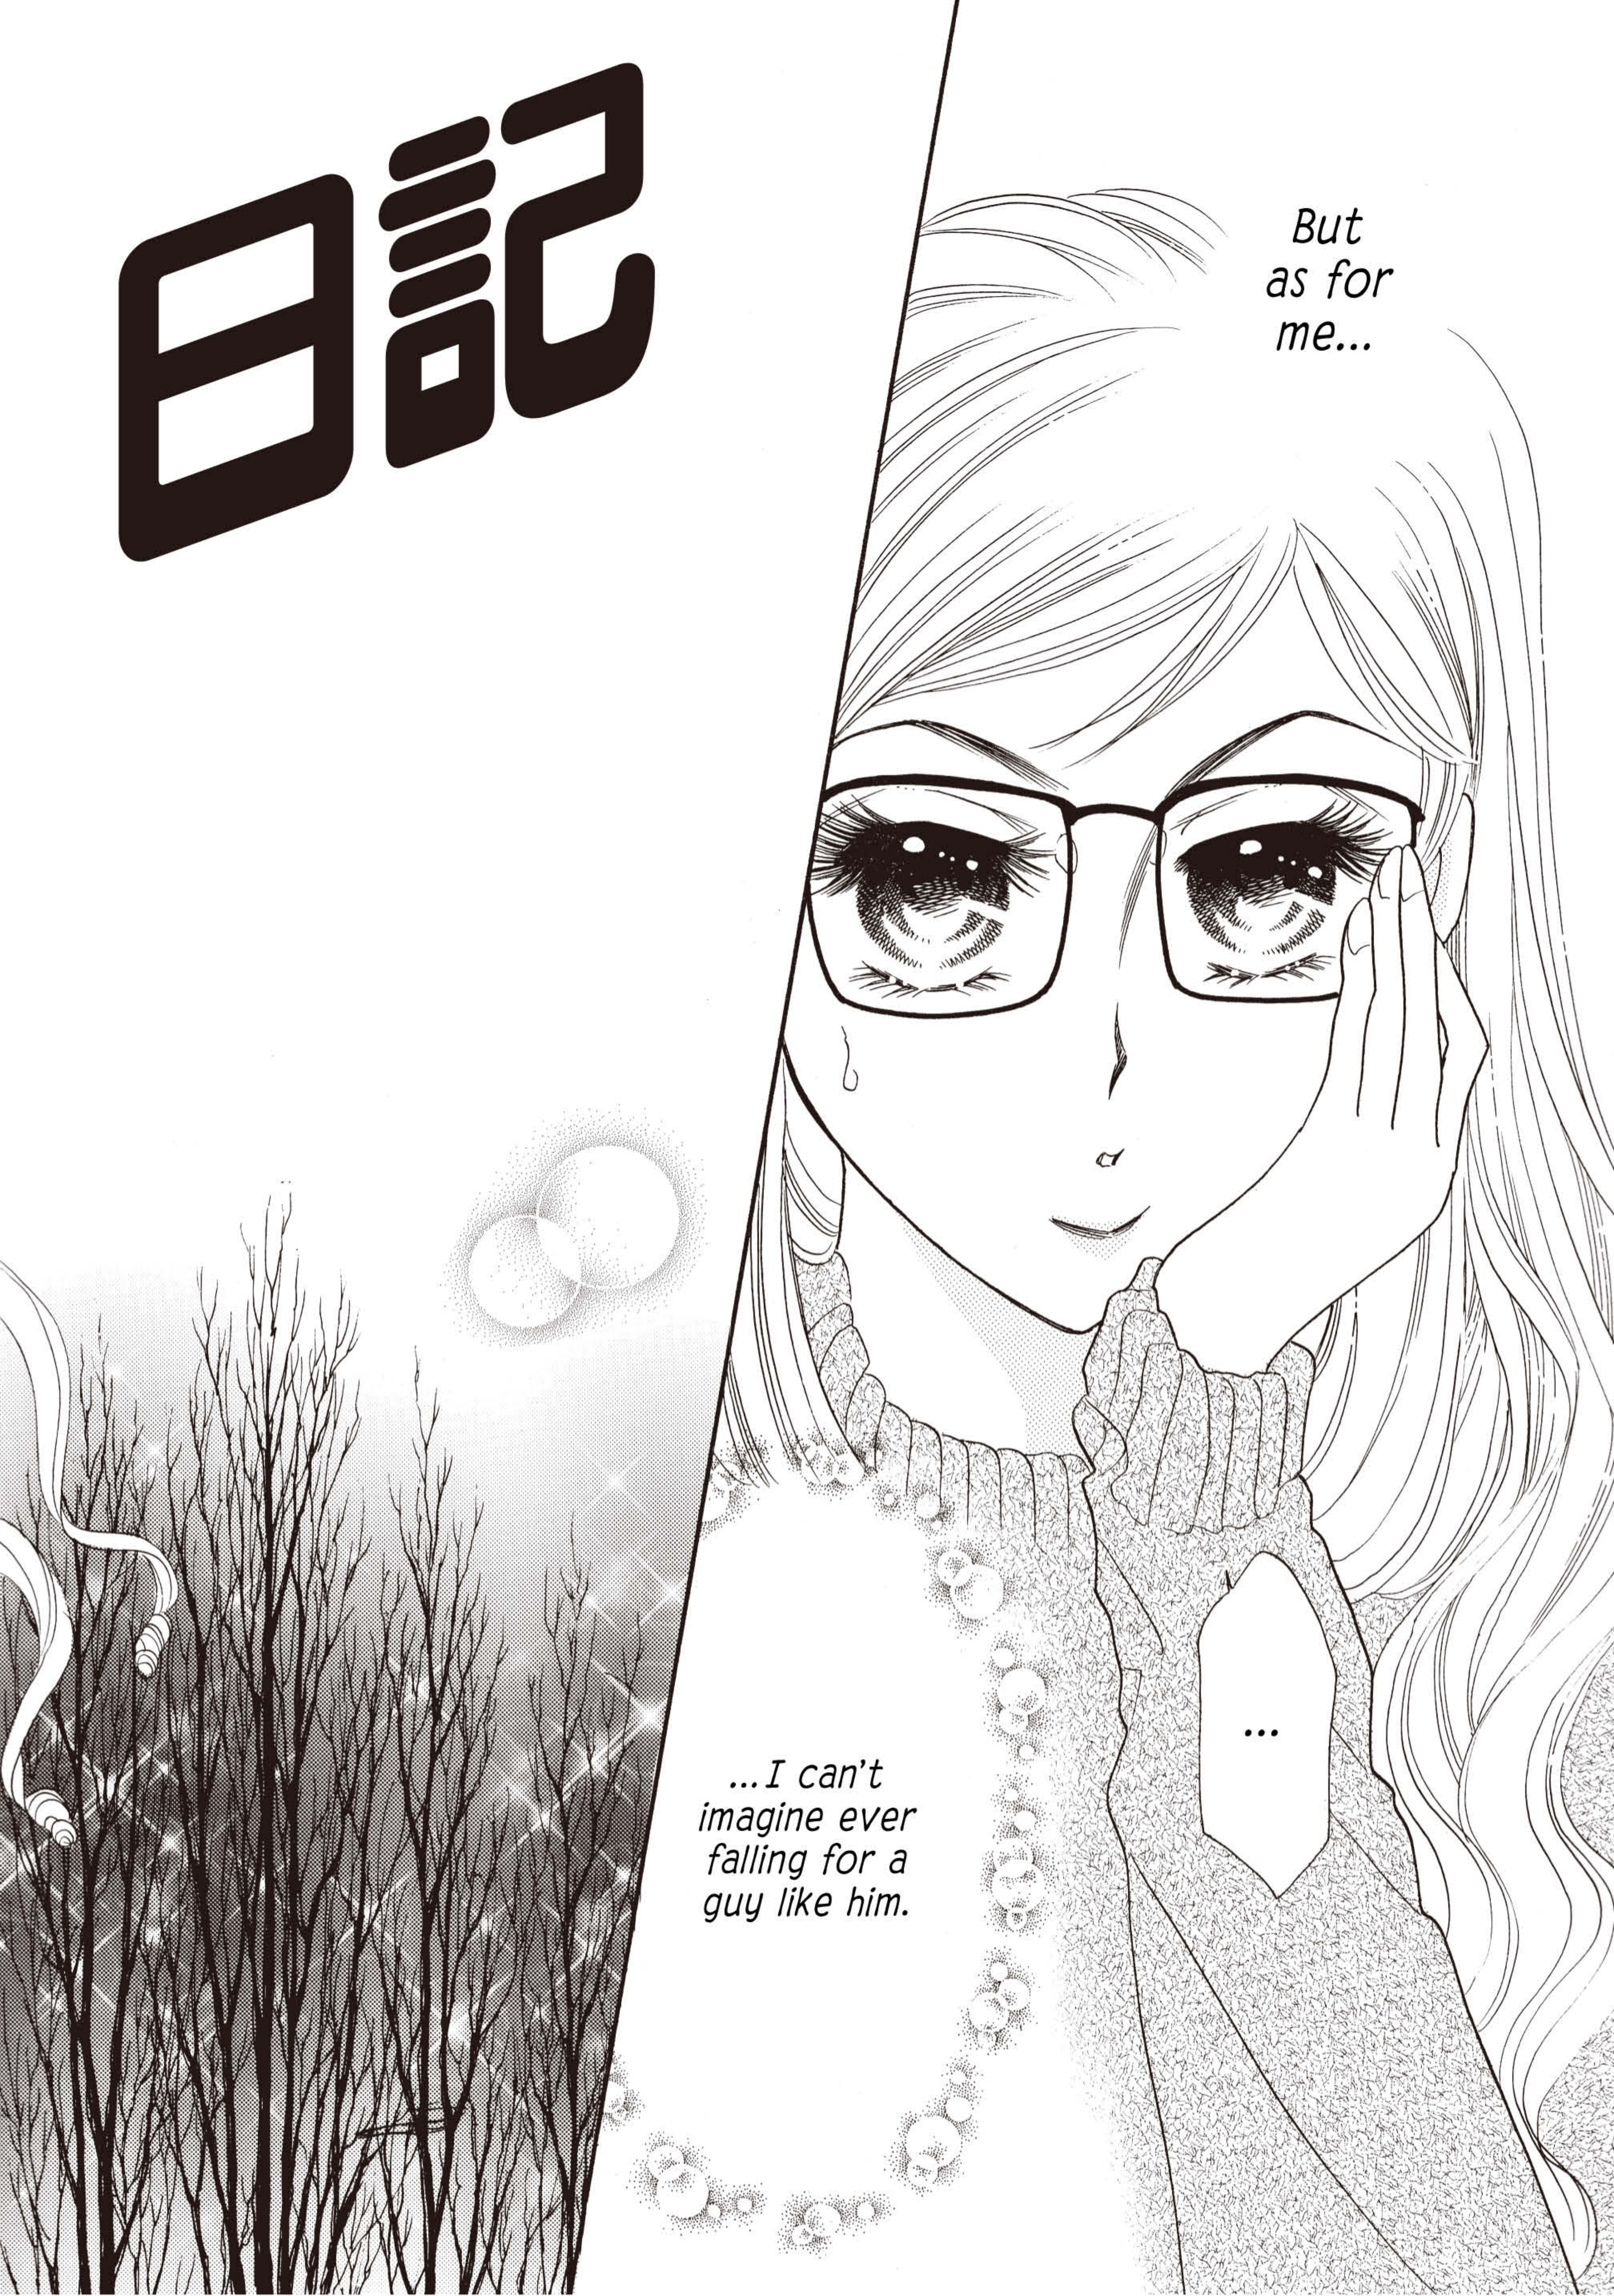

*He's won
the heart
of every
woman in
the U.K.*

日記

*But
as for
me...*

*...I can't
imagine ever
falling for a
guy like him.*

秘書の 失恋

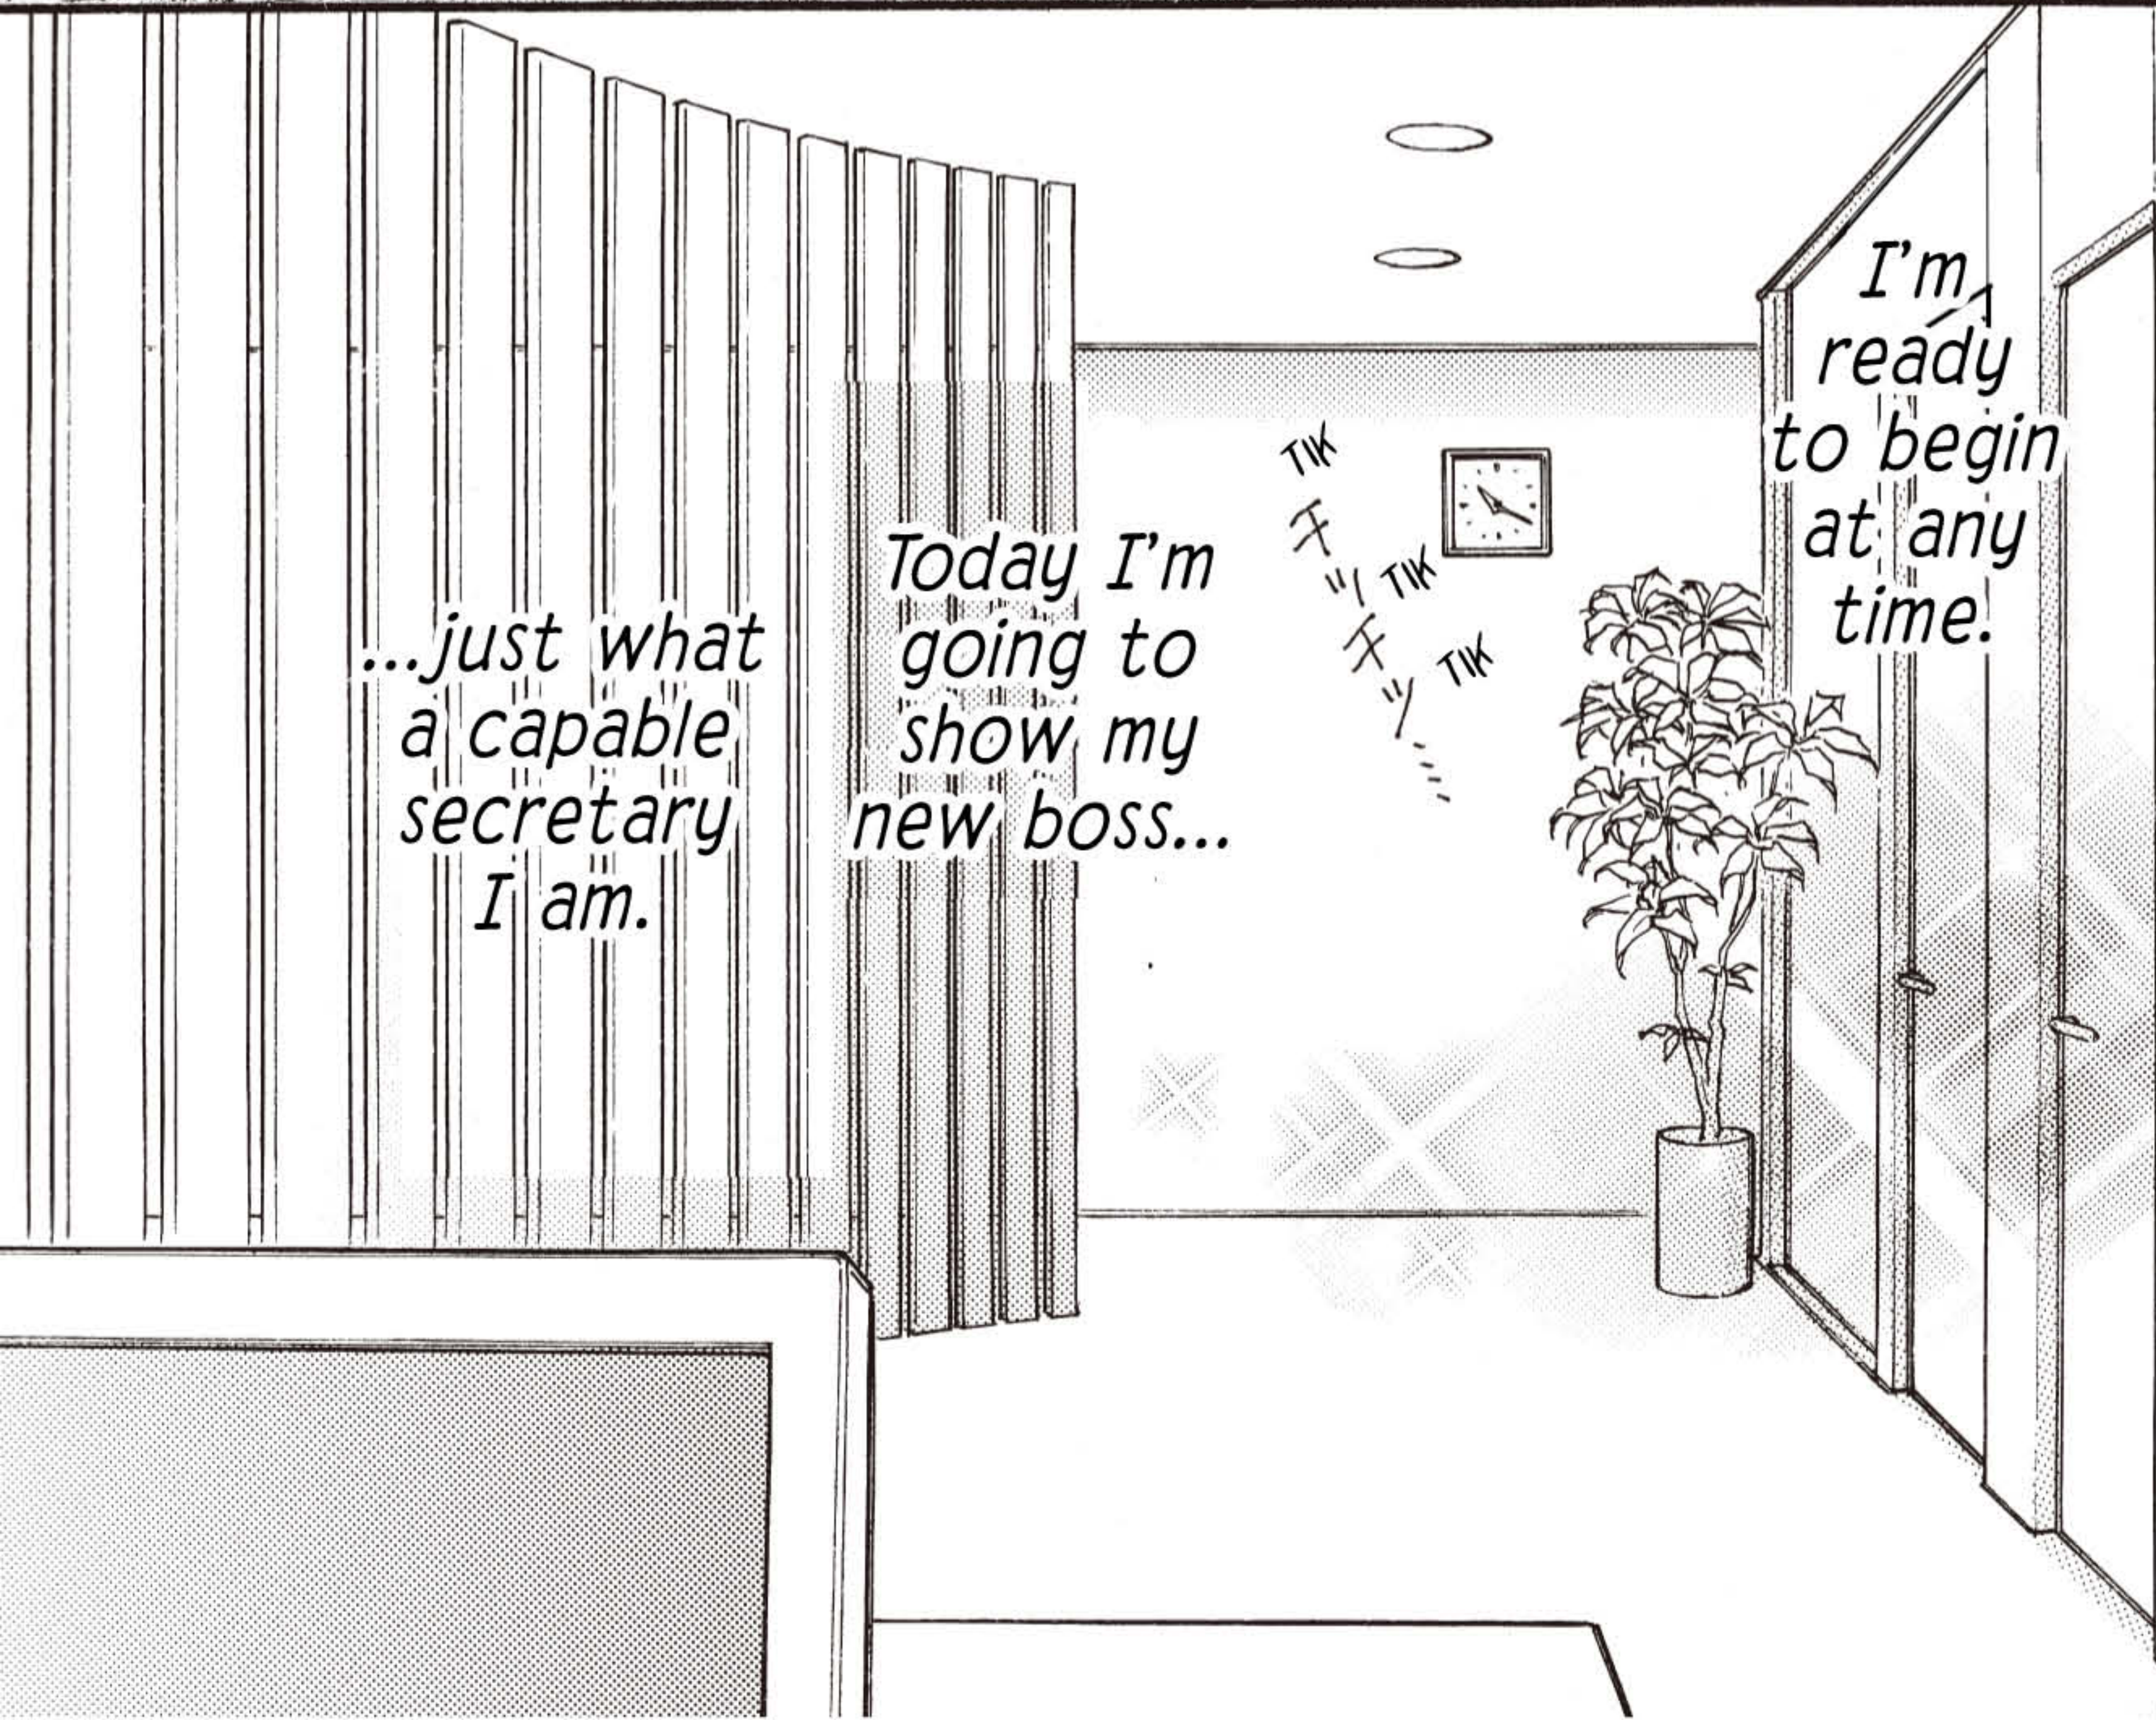

OH-SO-
SENSIBLE
SECRETARY

「KYOKO SAGARA」
「ORIGINAL NOVEL BY JESSICA HART」

GIBSON &
GRIEVE:
A LONG-
ESTABLISHED
CHAIN OF
DEPARTMENT
STORES

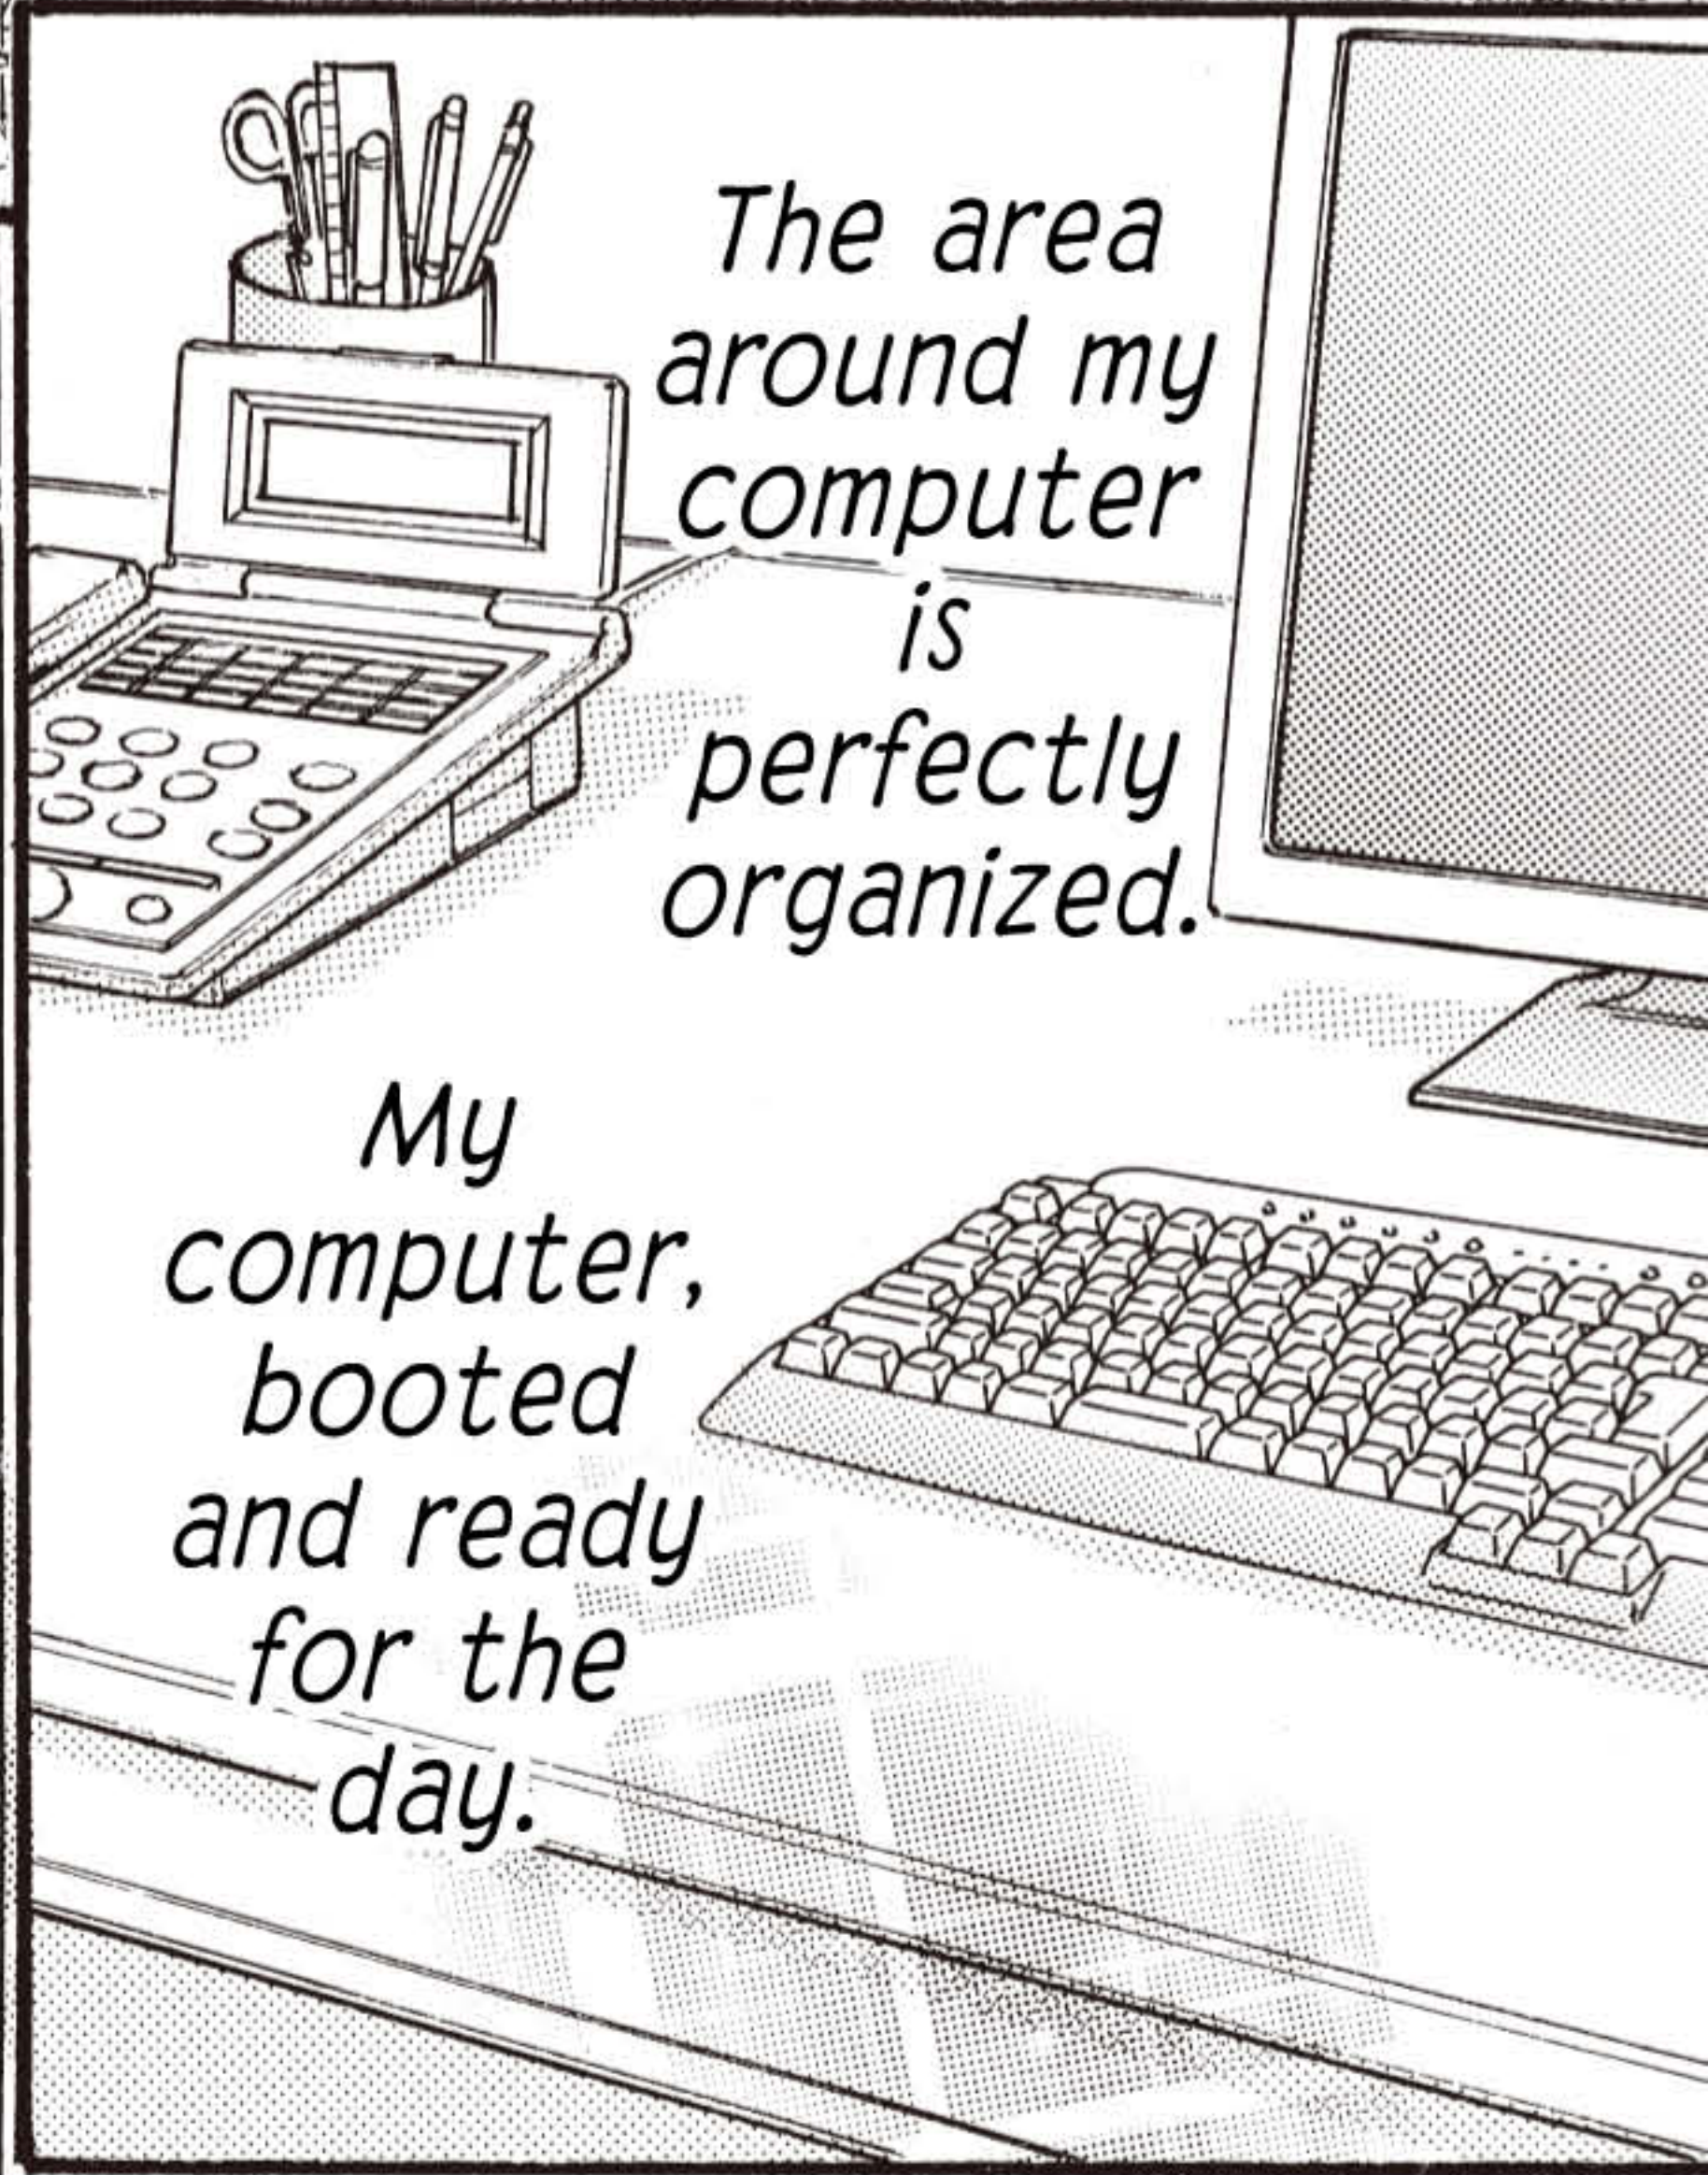

*...just what
a capable
secretary
I am.*

*Today I'm
going to
show my
new boss...*

*TKK
TKK
TKK
TKK*

*I'm
ready
to begin
at any
time.*

*The area
around my
computer
is
perfectly
organized.*

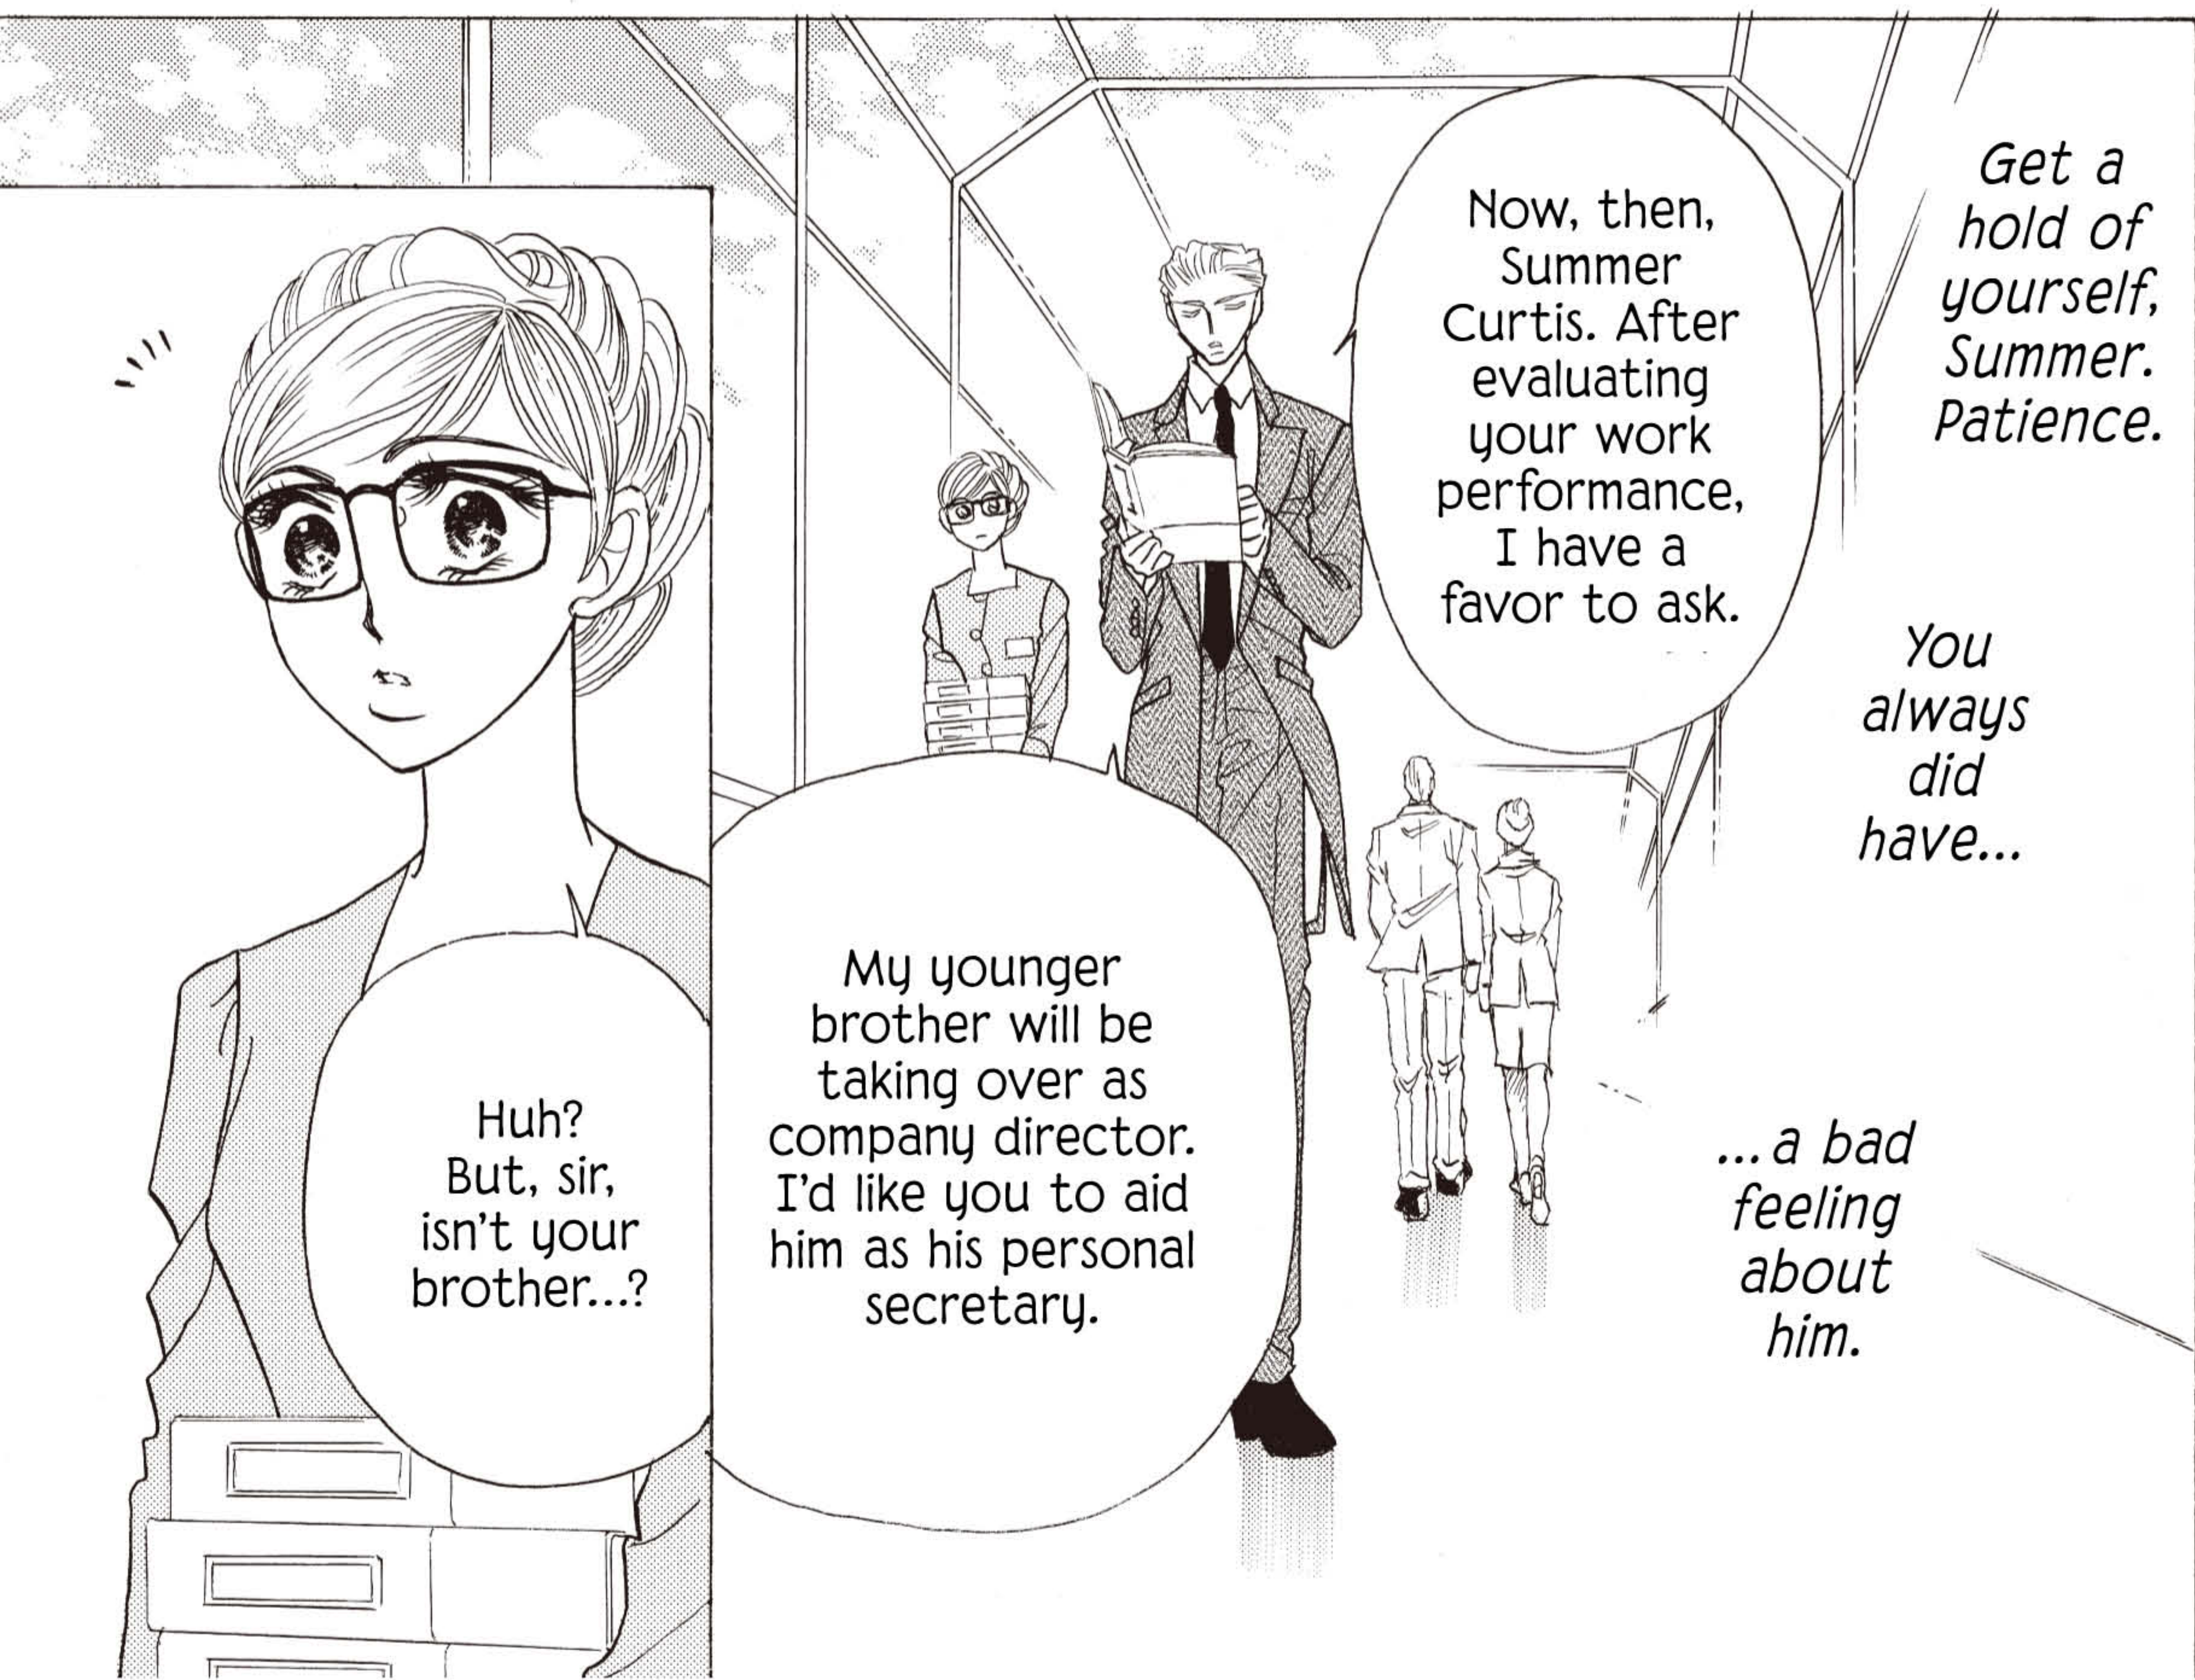

*My
computer,
booted
and ready
for the
day.*

*But why
hasn't
said
boss...*

*...even shown
up yet?*

*Work is
supposed
to start at
9:00 a.m.
sharp!*

*Get a
hold of
yourself,
Summer.
Patience.*

*You
always
did
have...*

*Now, then,
Summer
Curtis. After
evaluating
your work
performance,
I have a
favor to ask.*

*...a bad
feeling
about
him.*

*My younger
brother will be
taking over as
company director.
I'd like you to aid
him as his personal
secretary.*

*Huh?
But, sir,
isn't your
brother...?*

His sharp business sense enabled the company to establish stores throughout the U.K.

Lex Gibson, chief executive of Gibson & Grieve, is my boss.

Yes. He's the same Phinneas Gibson from TV.

He'll be keeping up his work as a TV personality while becoming the poster child for the company.

Who would believe that *the* Phinneas Gibson...

...is Lex's younger brother?

I want you to show him how to act decently and stay out of trouble!

I need someone to look after him.
