To Lidwine Inès Pokossy,
my little violet who wants to become a life storyteller
To my dear mother, Laurentine Adama,
All my gratitude to Marie Wabbes
for her precious gift

This is Bégni. The large savannah village at the foot of the Amayag'Intsô mountain. It is watered by the river Noubomo. Abala, Adala and Alada regularly come here learning fishing, swimming and playing with Rhino, their friend Rhino.

Since the beginning of this year,
the dry season has been harsh.

Bad people have arrived with strange
toys that produce fire.

While the village is still
asleep, they destroy the
savannah and kill the
animals. The fire ravages
everything in its path.
Life becomes difficult.
